UCSB Perm Number: [REDACTED]

Congratulations! On behalf of the faculty and staff at the University of California, Santa Barbara, I am pleased to offer you admission to the Pre-Biology major in the College of Letters and Science for the Fall 2018 quarter. Your selection from a pool of thousands of qualified applicants recognizes your extraordinary academic accomplishments and exceptional personal qualities.

UC Santa Barbara has much to offer you, and we look forward to welcoming you to our vibrant educational community. We believe that our impressive academic reputation, scientific innovation and pre-professional opportunities, coupled with our spectacular campus location, will encourage you to achieve your highest dreams. At UC Santa Barbara you will find world-renowned faculty who will challenge you to think critically and independently. As part of our community of undergraduate scholars, you will engage in the educational, cultural and recreational life of UC Santa Barbara with the Pacific Ocean and Santa Ynez Mountains as an ideal backdrop.

Your first step in becoming part of our UC Santa Barbara family is to reserve your space in the Fall 2018 class by submitting your Statement of Intent to Register (SIR) by 05/01/2018. To finalize your admission, complete the "Steps to Enrollment." This site also contains a wealth of information about academic programs, resources and student services. We invite you to visit the campus in person to see for yourself all that UC Santa Barbara has to offer.

Again, congratulations on your admission to one of the finest institutions of higher education in the United States. UC Santa Barbara is ranked as one of the top public universities in the nation and is home to six Nobel Laureates. You and your family have every reason to be proud of your tremendous accomplishments. We sincerely hope that you will join us and make UC Santa Barbara's vast possibilities and beautiful surroundings your own. Welcome to the UC Santa Barbara community!

Sincerely,

Lisa Przekop
